**PROGRAM SPOTLIGHT:  
EDUCATION SUPPORT BURSARY  
DEADLINE IS JUNE 30!**

The Central Saskatchewan Military Family Resource Centre recognizes that military life can present unique challenges to the education of military families. Constrained educational opportunities may place unnecessary hardship on our families by limiting personal and career growth. In an effort to support the education of our military families, the CSMFRC institutes an Education Support Program.

The bursary will be provided annually in the form of a payment towards tuition for courses successfully completed, to a maximum of \$2500.

Applications must be submitted a minimum of 30 days prior to the completion of the course. Evidence of payment and successful completion must be submitted no later than 30 June.

Eligibility: All dependents (non-military) of CF members supported by the CSMFRC catchment area are eligible to apply. The education or training program must be recognized by the Central Saskatchewan MFRC. All provincially accredited programs will be accepted. Non-accredited programs must be submitted to Central Saskatchewan MFRC for approval.

**Military Discounts and Corporate Supporters:**

The Central Saskatchewan Military Family Resource Inc. (CSMFRC) thanks all Corporate Sponsors, and supporters of the Military Discount Program. The CSMFRC, partners, staff, and Board of Directors, while appreciative of all donations and support, can only confirm the above listed businesses as providing sponsorship and/or a discount program (subject to change without notice). To use the services and products of the above noted programs have military identification present at time of purchase.

CF One card members can also access discounts through: <https://cfappreciation.ca/>
